

Tsaltas G., Katsibardis K. (editing-presentation)

publ. I. Sideris, Athens, 2009

Proceedings of the conference entitled "International Climate Policy. The road to Copenhagen", that took place in Athens, in 2009. The edition comprises presentations on issues related to the prospects of adopting an agreement that will define the post-Kyoto era.

The volume was presented by Kouvelis Spyros (Deputy Minister of Foreign Affairs), Roumeliotis Panagiotis (Professor, Panteio University) and Sartzetakis Eftichios (Associate Professor, University of Macedonia) during a conference organized by Mediterranean SOS Network entitled "Climate and the City: Towards Copenhagen".
